

Land Use Department

Purpose/Goal: To promote a safe, healthy, balanced community that preserves our natural resources and educates our residents to continue this pursuit for future generations of Grundy residents while providing for the safety of the community in the construction of structures.

The Land Use Department has three departments to serve Grundy County's needs. The Solid Waste, the Building and Zoning and the Planning Offices are the fabric that makes up our Land Use Department.

Personnel:

Budget:

Planning and Zoning - \$240,923.00

Zoning Board of Appeals - \$13,500.00

Planning Commission - \$12,000.00

Solid Waste Office - \$100,046.00
