

RESOLUTION: 2019-046

**RESOLUTION TO CHANGE THE FEE SCHEDULE FOR THE
GRUNDY COUNTY LAND USE DEPARTMENT**

WHEREAS, the Land Use Committee of the Grundy County Board reviewed the proposed plumbing fee charges and accepts that these changes are appropriate; and

WHEREAS, the Land Use Committee determined based on comments from the South Suburban Builders Association and the Illinois Relator Association that the fees should be lowered to promote construction activity; and

WHEREAS, the South Suburban Home Buildings Association and the Illinois Relator Association have reviewed the fee resolution draft and provided positive comments; and

WHEREAS, a comparison was made between the County's fees for construction and adjacent counties and municipalities and was modified appropriately; and

NOW THEREFORE BE IT RESOLVED, by the County Board of Grundy County Illinois in a regular meeting assembled, acting on behalf of the County of Grundy, that the fee schedule for the Building and Zoning Office shall be amended as follows:

If the engineering or consultant fees are incurred after a building permit is issued, then an occupancy permit will not be issued until all fees are paid for by the permit holder.

CONTRACTOR LICENSE REQUIREMENTS

1. Definitions:

Contractor: Any individual, doing work on a residence or commercial/industrial structure, and any company or corporation engaged in the business of building, constructing, altering, rehabilitating, repairing, moving, or demolishing any structure or improvement on a parcel, whether as a general contractor or subcontractor.

General Contractor: Any contractor who subcontracts all or any portion of a building contract to one or more building contractors or who shall himself perform more than one trade during the course of any construction, and subcontract any other trade during the course of any construction.

2. License

- a) No person shall engage in the business of a contractor without first obtaining a contractor's license from the Land Use Department as authorized by the County Chairman to enforce. Subcontractors who are doing work for a licensed general contractor or homeowner shall also be required to be licensed in Grundy County through the Land Use Department.
- b) The application for a contractor's license required the following information:
 - Name
 - Mailing Address
 - Business Telephone and Cell phone
 - All construction work completed by the company
 - Any state licenses as required
- c) Certificate of Insurance and Licensing and Permit Bond

All applications for contractor's license shall be accompanied by the following original documents:

- A certificate of insurance showing that the applicant has a minimum coverage of five hundred thousand dollars (\$500,00.00) personal property damage and five hundred thousand dollars (\$500,000.00)

bodily injury and, if the applicant has more than one employee, workers compensation coverage. The certification of insurance must name Grundy County as the certificate holder.

- A licensing and permit bond (L&P Bond) in the amount of ten thousand dollars (\$10,000.00) executed by a surety company authorized to transact business in the State of Illinois as surety on the bond, and with Grundy County as obligee, for its benefit and that of the consumers dealing with the applicant, the condition of which shall be that the applicant shall faithfully perform the duties and in all things comply with the presently adopted building codes and all other ordinances pertaining to the license or permit applied for. The aggregate liability of the surety, regardless of the number of claims made against the bond or the number of years of the bond remains in force, shall in no event exceed the amount of the bond. The bond may be terminated at any time by the surety upon sending thirty days' notice in writing to the Land Use Department with which this bond is filed and to the principal.
 - d) The annual processing fee for the contractor's license (either general or subcontractor) is one hundred dollars (\$100.00).
 - e) Revocation of the contractor's license may be completed for any work not performed according to any applicable ordinances currently adopted by Grundy County. In the event that it has been discovered that this has occurred, the Land Use Department Director shall mail notice to the contractor that the license has been revoked and that Grundy County will be making a claim on the contractor's bond. The contractor may then appeal this decision pursuant to this ordinance.
3. Duties of the Licensed Contractor:
- a) Licensed contractors for Grundy County shall obtain all building permits necessary to complete any construction in the County.
 - b) Licensed contractors shall comply with all codes and ordinances currently adopted by Grundy County.
 - c) A dumpster and temporary bathroom facilities shall be made available at all times at the job site and shall be properly maintained.
 - d) The contractor shall not cause any obstruction to traffic flow in the area including streets, and sidewalks without obtaining permission by the Grundy County Highway Engineer and appropriate parties. The contractor shall restrict any movement of construction vehicles whose load and weight exceed the weight tolerances of the street as posted.

- e) No contractor shall permit the accumulation of dirt, mud, or waste materials on the public's street or sidewalks. All such materials shall be cleaned up at the end of the day.
