GRUNDY COUNTY TAX SALE GUIDELINES

1) As Treasurer, I establish the guidelines of this sale.

2) At any point during the sale, I may modify the guidelines as necessary to promote the appropriate conduct of this sale.

3) Only pre-registered buyers may participate in this sale.

4) I am offering all items, which we believe to be delinquent. Should we discover items that were ineligible for sale for any reason prior to the issuance of the Tax Sale Certificates, the sale of these items will be stricken and payment refunded as appropriate.

5) All items will sell to the bidder offering the lowest penalty bid. Only the person offering to pay the taxes due on each property for the least penalty percentage will be the successful purchaser of that tax. No bid shall exceed 18% and if multiple simultaneous bids of the same percentage are made, no one of these bids being the least, none will be accepted. If multiple simultaneous bids are received at the same percentage, bidders will be given an opportunity to bid at a lower percentage.

6) I determine the length of bidding time for each item.

7) I will declare breaks in the sale as deemed necessary.

8) During the sale, if a buyer elects to leave, the sale will continue. The buyer may resume bidding upon re-entry.

9) All bids are final. Bid carefully. Once you have submitted a bid you cannot retract it.

10) Final purchase lists and tax sale certificates will be delivered to each bidder after we have reconciled the sale records.

11) Disruptions or offensive behavior will not be tolerated during the sale. Any party disrupting the sale will be removed.

## Request for Taxpayer Identification Number and Certification

Give form to the requester. Do not send to the IRS.

### Part I: Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, non-profit organization, or disregarded entity, see the instructions on page 2. For other entities, it is your employer identification number (EIN). If you do not have a number, see how to get a TIN on page 8.

Note: If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

### Part II: Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the IRS that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (please refer to the instructions below).

Certification Instructions: You must cross out item 2 above if you have not been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply.

For mortgage interest paid, acquisition of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest paid, acquisition of an interest in real property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requiring it (the requestor) and, when applicable, tax identification number.

#### Certification

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. person.

#### Definition of a U.S. Person

For federal tax purposes, you are considered a U.S. person if any of the following apply:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships: Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partner's share of income from such business. Further, in certain cases where a Form W-8 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-8 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-8 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
