Recycle - 33% of all municipal waste is
paper

Paper is the most recoverable waste
product.

Reduce tree removal—**SAVE TREES**

1) Paper is dumped into shredding device that
is part of a box truck.

2) Documents are shredded!

3) Shredded paper is weighed and recycled!

4) Grundy County residents give back to the
earth!

Thank you Grundy County Residents—
you are *Earth Savers!*
